HOUSE BILL NO. 1604

AN ACT MAKING AN APPROPRIATION FOR THE SUPPORT AND
MAINTENANCE OF THE STATE FORESTRY COMMISSION FOR THE FISCAL YEAR
2019.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. The following sum, or so much thereof as may be
necessary, is appropriated out of any money in the State General
Fund not otherwise appropriated, for the support and maintenance
of the State Forestry Commission for the fiscal year beginning
July 1, 2018, and ending June 30, 2019
..... \$ 13,645,976.00.

SECTION 2. The following sum, or so much thereof as may be
necessary, is appropriated out of any money in the special fund in
the State Treasury to the credit of the State Forestry Commission
which is comprised of special source funds collected by or
otherwise available to the commission, for the support and
maintenance of the commission for the fiscal year beginning
July 1, 2018, and ending June 30, 2019
..... \$ 15,598,275.00.

Of the funds specified in this section, Two Hundred Fifty Thousand Dollars (\$250,000.00) shall be deposited in a fund created in the State Treasury called the "Forest Improvement Revolving Fund." Money in this fund shall be used by the State Forestry Commission to assist in the reforestation and growth improvement of the forests, woodlands, and publicly owned lands of the state, including sixteenth section lands, Camp Shelby, Columbia Training School and colleges and universities. Landowners who contract with the commission for such work shall pay to the commission its actual cost for conducting such work. Money received for this work by the commission shall be paid into the State Treasury, and the State Treasurer shall deposit such money in the "Forest Improvement Revolving Fund."

SECTION 3. Of the funds appropriated under the provisions of this act, the following positions are authorized:

AUTHORIZED POSITIONS:

Permanent:	Full Time	450
	Part Time	2
Time-Limited:	Full Time	11
	Part Time	0

With the funds herein appropriated, it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2020 do not exceed Fiscal Year 2019 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year

2019 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to ensure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2019 appropriations for "Personal Services" when annualized, with the exception of escalated funds and the award of benchmarks. If, at the time the agency takes any action to change "Personal Services," the State Personnel Board determines that the agency has taken an action which would cause the agency to exceed this projected annual cost or the Fiscal Year 2019 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

Any transfers or escalations shall be made in accordance with the terms, conditions and procedures established by law or allowable under the terms set forth within this act. The State Personnel Board shall not escalate positions without written approval from the Department of Finance and Administration. The Department of Finance and Administration shall not provide written approval to escalate any funds for salaries and/or positions

without proof of availability of new or additional funds above the appropriated level.

No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

None of the funds herein appropriated shall be used in violation of Internal Revenue Service's Publication 15-A relating to the reporting of income paid to contract employees, as interpreted by the Office of the State Auditor.

SECTION 4. It is the intention of the Legislature that the State Forestry Commission shall maintain complete accounting and personnel records related to the expenditure of all funds appropriated under this act and that such records shall be in the same format and level of detail as maintained for Fiscal Year 2018. It is further the intention of the Legislature that the agency's budget request for Fiscal Year 2020 shall be submitted to the Joint Legislative Budget Committee in a format and level of detail comparable to the format and level of detail provided during the Fiscal Year 2019 budget request process.

SECTION 5. SECTION 9. Any funds in the Salary, Wages and Fringe Benefits major object of expenditure may be used to purchase accumulated compensatory time within the funds available.

SECTION 10. It is the intention of the Legislature that whenever two (2) or more bids are received by this agency for the purchase of commodities or equipment, and whenever all things stated in such received bids are equal with respect to price, quality and service, the Mississippi Industries for the Blind shall be given preference. A similar preference shall be given to the Mississippi Industries for the Blind whenever purchases are made without competitive bids.

SECTION 11. Any person who was an employee of the Forestry Commission who was laid off during Fiscal Year 2006 shall be given first priority in any new employment by the commission.

SECTION 12. It is the intention of the Legislature that the funds herein appropriated shall be expended in compliance with Section 27-104-25, Mississippi Code of 1972, that no state agency shall incur obligations or indebtedness in excess of their appropriation and that the responsible officers, either personally
